

## You're invited to the: Grand Opening of our New Studio

Black Tulip Quilts is an Australian online patchwork, fabric, sewing, supplies, pattern and bookstore with a range of handmade items, especially for babies, such as quilts, wraps, bibs, burp cloths, blankets, décor, toys and clothes.

We started our life a couple of years ago in Newcastle and have just relocated to Armidale.

We've got our little farm on the outskirts of Armidale and I have the most magnificent studio you could imagine, but why imagine when you can come by and see it for yourself.

Drop by and checkout in person our range of fabrics, supplies and handmade - and you might just pick up a bargain along the way too.

With a much larger space than I had in Newcastle, I am able to stock even more supplies than I did before - and to run some private group classes if anyone wants to come along.

And.... what is a grand opening like without some food and drinks.

### So here are the details:

**Date: Sat 6th and Sun 7th of August**

**Time: 10.30am to 3pm**

**Address: 21 Wallinga Rd**

**Invergowrie**

There will be a major prize drawn at the end of the Grand Opening Weekend. Everyone who visits on the day will go into the draw for a Fat Quarter Bundle by Nellie Hill which has 27 gorgeous fat quarters and a retail value of over \$100.

If you cant make the Grand Opening, you can visit the studio by appointment, just email Robyn at [blacktulipquilts@gmail.com](mailto:blacktulipquilts@gmail.com). Appointments only after the Grand Opening has happened.
